# Logo Usage Rules

## Clear Space

Maintain a minimum clear space around the logo equal to the height of the center node (the 'C' element). This ensures the logo remains legible and uncluttered in all applications.

## Minimum Size

Icon: 32×32px minimum | Horizontal lockup: 120px wide minimum

## Do's and Don'ts

### DO

- ✓ Use approved color combinations only
- ✓ Maintain proportions — never stretch or skew
- ✓ Use on solid backgrounds with sufficient contrast
- ✓ Ensure the checkmark is clearly visible

### DON'T

- ✗ Add drop shadows, outlines, or effects
- ✗ Rotate the icon or any of its elements
- ✗ Change the checkmark to another symbol
- ✗ Place on busy photographic backgrounds
- ✗ Alter the relative size of the center node

# Iconography & UI Elements

## Icon Style

Use rounded stroke icons (2px stroke, round caps) for UI elements.  
Preferred icon set: Lucide or Phosphor (rounded variant).  
Icon color defaults to Slate Gray (#8A9BAE) in inactive state,  
Electric Blue (#29B6F6) for active/selected state.

## Button Styles
